

BRACEWEAR AirX™ BRACER KNEE

FITTING INSTRUCTIONS

- CAUTION:** These devices should be fitted by a suitably qualified healthcare professional. No guarantee is made; either expressed or implied that wearing this device will prevent injury. Proper rehabilitation and activity modification are also an essential part of a safe treatment programme.
- CAUTION:** For single patient use only.
- WARNING:** Do not use in conjunction with oil, ointment s or liniments on skin in contact with the brace. Product should be firm, not tight. Check that the circulation is not comprised after fitting the product.
- SEEK MEDICAL ADVICE IF:** You have a history of circulatory problems or if the product causes swelling, heat rash or allergies.

FITTING:
Choose the correct size from the size guide. Release the straps so the brace can be pulled over the knee. Locate the patella within the cut-out. Ensure that the hinge centres are aligned at the level of the knee joint. Gently tension straps and secure using the hook and loop fastening.

Circumference taken 15.5 cm above the mid-patella	Size
30.5 – 38 cm	X Small
38 – 45.5 cm	Small
45.5 – 53 cm	Medium
53 – 61 cm	Large
61 – 68.5 cm	X Large
68.5 – 76 cm	XX Large

- PRODUCT CARE:**
- Before washing remove the hinges.
 - Wash soft goods in warm, soapy water and rinse.
 - Do not use detergents or bleaches.
 - Dry naturally
 - Bracewear products are generally colourfast, but should be washed separately for the first time at least.

PRODUCT GUARANTEE:
Unless otherwise stated, Bracewear products are guaranteed against faulty materials or workmanship for a period of three months. Defective product returned to the point of purchase or sent to the nominated distributor, will be repaired or replaced at the discretion of Bracewear personnel. Proof of purchase date will be required to make a claim.
